III. SELECTIVE ADVOCACY & REPRESENTATION

Personal Injury (PI) Representation

33% Contingency

High-merit advocacy for individuals navigating personal injury matters. Fees are calculated strictly as a percentage of the total settlement achieved; no upfront legal fees apply.

Fees are subject to periodic adjustment for market competitiveness. Review of this schedule or submission of initial inquiry data does not establish an attorney-client relationship. An attorney-client relationship is only formalized upon the execution of a written engagement agreement signed by both parties.
